Robust yet elegant the STM studio mirrors are the ultimate solution to temporary studio use.

Featuring:

- Generous mirror area
- Foldaway locking legs for ease of transport and storage
- Lightweight anodised aluminium construction
- Impact and shock absorbing rear backing
- Vinyl backed mirror so even in the worst case the mirror will not fall out and cut
- Carry handle and wall bracket for wall mounting when space is restricted or just for storage
- Lockable industrial castors for ease of movement

Truly by professionals for professionals.

Professional Deluxe MD

2 metres high X 1.2 metres wide the Professional deluxe features a slight forward tilt for the most flattering reflection.

Professional Mirror MS

The little sister to the deluxe it is ideal for home use and will readily fit into a station wagon or van.

Fixed Mirrors MF *This service is limited to metropolitan Sydney*

A range of options are available up 3mx2m in a single piece!

For semi permanent fixings our framing system allows us to install a mirror without glues and hard fixings. This may be powder coated (MFFP) or anodised to taste (MFFA).
